Features & Benefits

StoreSafe

- Attractive design is perfect for front-of the-house hot and cold beverage service. Stacks easily for storage and transportation.
- Serving capacity:
  Model 500LCD - 91 each 7 oz. (210 mL) cups
  Model 1000LCD - 182 each 7 oz. (210 mL) cups
- Single-molded, seamless, double-wall, high-density, polyethylene construction is highly durable, dishwasher safe and resists dings and dents. Textured exterior is scratch-resistant.
- Polyurethane foam insulation provides excellent hot or cold temperature retention for hours. Hot beverages remain hot without the need for a costly external heating source.
- Molded-in handles offer comfortable easy transporting.
- Recessed plastic latches will not rust or corrode and are protected from being hit or damaged. Molded-in mount plates prevent latches from pulling out.
- Drip proof recessed spigot allows for convenient access. Optional Easy Serve Dispenser lever attaches easily and offers easy and even beverage dispensing.
- Raised edge, spill proof rim prevents spills and leaks during transport.
- Vent cap on all models helps to equalize pressure and release steam.
- Self-adhesive beverage labels included for quick identification of contents.
- Optional Condiment Holder and Riser available for both models.
- Optional Camdollies® offer easy transporting.
- Non-electrical.
- No assembly required.
- Available in 10 colors.
