Product Specification

FRITECSA

Model	US-360
Picture	
Capacity	357L
Product Dimension	560X610X1985mm
Packing Dimension	610x655x2020mm
Net/Gross Weight	75/78kg
Gas	R290
Climate Category	N~ST
Operational Temp.	0℃~10℃
Cooling Type	Dynamic Cooling
Shelf QTY	5
Loading QTY (20/40ft/40hq)	27/ 54 / 76
Standard Features	• Dynamic Cooling, 0~10’ C strong cooling; • N~ST wide climate range, over-sized robust compressor; • Reliable digital controller ; • Double glazing glass door, with front safety glass; • On 4 easy moving wheels, 2 with brake • With self-closing door; • With hot gas evaporated drip tray • Canopy integrated glass door design for better branding. • The glass door is integrated with LED double vertical lights which has good lighting effects and has the advantages of energy saving and defogging.
